SACRAMENTO, Jan. 1.—Louis
R. Glavis has resigned as secretary of
the state conservation commission. In

LONDON TAXICAB DRIVERS STRIKE

RANKS OF THE STRIKERS STEAD-
ILY GROWING, AND TRANSPOR-
TATION FACILITIES ARE BAD-
LY CRIPPLED

United Press Service
LONDON, Jan. 1.—As a result of
the increased price of petroleum, traf-
fic is seriously impeded today. Four
thousand taxicab drivers went on a
strike last night, and more are going
out today.
The taxicab men charge that their
employers refused to meet the 5 cents
a gallon advance in the price of pe-
troleum and gasoline. Unless this is
done, they claim, they will have to
pay the advance from their own sal-
aries.

UNIFORMS FOR TEAM ARE HERE

HIGH SCHOOL BASKET TOSSERS
LINE UP FOR FRIDAY EVENING
ANNOUNCED BY COACH MORRI-
SON—ALUMNI PRACTICING

Suits for the high school basket-
ball team arrived Tuesday, and the
high school players will wear them
for the first time Friday night, when
they play a team chosen from the
Alumni Association. The jerseys are
red and white, the school colors.

Coach Morrison has announced a
tentative line up for Friday's game.
It is believed that he will give all
the contestants for positions a trial
during the game.

The game will be started by the
high school with the following line-
up: Carter (captain) and Hurn, for-
wards; McClure or Stanley, center;
Boller and Nail, guards. The alumni
line up has not been announced.

Walton Curtis, who has been con-
nected with the White Pelican for
some months, left Tuesday for San
Francisco.

THE NEW YEAR

It is a good time of the year to
meditate, to think a little about the
past and more than a little about the
future. The past cannot be undone,
but the future is ours to mould as
we will. The year 1913 will be
largely what we make it. If we are
disatisfied, it may be that the fault
lies with ourselves, and it might be
well to turn a page and plan some-
thing different for the new year.
Come in and get the rest of the story.

A Leading Worker for Welfare of Children

Miss Julia Lathrop, director of the
United States Children's bureau, at
her desk. Miss Lathrop has entered
into her work with limitless enthusi-
asm, and she has the courage to sup-
port her convictions. Recently she
made announcement that no money
value can be placed on children's
lives, and she asserts that because of
existing conditions three out of every
ten children die before reaching the
age of ten years. Her work is to im-
prove those conditions, and it was due
to the appreciation of the government
that the welfare of the nation is
largely dependent on the preserva-
tion of the children that Miss Lath-
rop's job and the bureau were created

celebrated here, with crowds from
all parts of California in attendance.
The program this year is more elab-
orate than usual, and in addition to
electrical and floral floats and proces-
sions, a number of novel contests,

Officers of festival associations in
cities from Seattle to San Diego are
in attendance. It is their plan to
consolidate all festivals and to ad-
vertise the Pacific coast.

NEW STOCK OF GOODS TO BE
PURCHASED FOR KLAMATH
JEWELRY COMPANY BY MAN-
AGER H. J. WINTERS

Instead of retiring from the field,
the Klamath Jewelry company will
continue in business here. This was
made known by H. J. Winters, the
manager, today.

Some time before the holidays the
company started a sale for the pur-
pose of raising money to satisfy the
creditors, and at that time it was
planned to sell the entire stock.
Enough has been sold to satisfy all
claims, and the sale has ended.
Mr. Winters has ordered many new
additions to his stock of goods.

Dr. Carl L. Alsberg, who has been
appointed chief of the bureau of
chemistry, to succeed Dr. Wiley, has
been connected with the United States
department of agriculture for the past
four years. He has been devoting
special attention to the bureau of
plant industry, and has conducted a
notable series of experiments in the
endeavor to learn the cause of disease
in food plants. Dr. Alsberg made a
discovery of great value to stockmen
when he found the presence of prus-
sian acid in certain kinds of grass that
has poisoned thousands of cattle in
the Southwest.

Dr. Alsberg is a native of Germany
but received his degree from Colum-
bia University. After a three years' course
at the universities of Berlin
and Strasbourg he was appointed in-
structor of chemistry at the Harvard
medical school, from which position
he was appointed to the post he has
just vacated. Dr. Alsberg is 35 years

TASTE, SMELL AND HEARING RESTORED

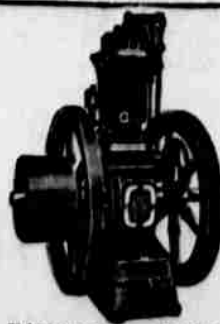

A SIMPLE, HARMLESS REMEDY
QUICKLY RELIEVES CATAR-
HAL DEAFNESS

The thousands who suffer the mis-
eries of colds and catarrh and claim
they have never found a cure can get
instant relief by simply anointing the
nostrils with Ely's Cream Balm.

Unlike internal medicines which
upset the stomach, or strong snuffs
which only aggravate the trouble, this
cleansing, healing, antiseptic Balm in-
stantly reaches the seat of the trouble
stops the nasty discharge, clears the
nose, head and throat, and brings
back the sense of taste, smell and im-
proves the hearing. More than this,
it strengthens the weakened and dis-
eased tissues, thus protecting you
against a return of the trouble. This
remedy will cure a cold in a day, and
prevent its becoming chronic or re-
sulting in catarrh.

Nasal catarrh is an inflammation of
the membrane lining the air pass-
ages, and cannot be reached by mix-
tures taken into the stomach, nor can
it be cured by snuffs and powders
which only cause additional irrita-
tion. Don't waste time on them. Get
a 50 cent bottle of Ely's Cream Balm
from your druggist, and after using it
for a day you will wish you had tried
it sooner.

Mothers should give the children
Ely's Cream Balm for colds and
croup. It is perfectly harmless, and
pleasant to take.
